Banning Holds Hoop Lead; Local Teams Drop Two Games

San Pedro and Banning high school varsity basketball teams advanced in the Marine League cage race because of victories Friday and Tuesday. San Pedro trimmed Narbonne 34 to 25 Tuesday while Torrance was losing to Banning 62 to 32.

Narbonne reversed the turn on San Pedro Bees, winning the light-weight tussle 25 to 17, while Banning made it a doubleheader over the Tartars with a 60 to 25 nod in the lower division. Banning's double triumph kept front in both ends of the league standings with both teams being unbeaten in league play. Mark Sampson's outfit out in Egerer of Torrance, high scorer of the league, continued his high pace with 16 markers. The vic-

torry was the sixth straight for the Banning teams, heavy favorites to nab the pennant. Alex Palica topped the Gauchos with ten markers. San Pedro staged a last half rally to down the Gauchos after the first period ended with the score knotted at 15 all.

Banning will be idle Friday as Torrance opposes Narbonne and San Pedro tangles with Gardena in doubleheaders. Lineups: San Pedro (34) Narbonne (25) Slingerland (1) F. Goslin (5) Godfrey (9) F. Palica (10) Sawyer (13) C. Slinger (5) Pedersen (8) G. Rathburn (6) Albrecht (6) G. Gibson (3)

Men Over 38 Face Army Call

Men over 38 have lost their special draft classification. Selective service ordered local boards early this week to put no more 38 to 45-year-old men in Class 4-H and to transfer men now in that classification into the regular classes (such as 1-A, 3-A, 4-F, etc.)—but not actually to draft them.

The action has the effect of establishing an order in which men over 38 would be inducted "if and when the armed forces determine they can be used in the military establishment," as the War Manpower Commission put it.

Age Alone No Bar The men in 4-H are to be reclassified on the same basis as younger men but with special "H" designations. Some will thus be put in 1-A (H), 2-B (H), 3-A (H) and similar classes. This procedure, the Manpower Commission explained in a press release, means that men "who have no cause for deferment other than age will be placed in Class 1-A."

The "H" designation denotes merely a subdivision of the particular draft class. Thus a man classified 1-A (H) actually would be Class 1-A, although he would not be liable to immediate induction like another man in that class lacking the addition (H) rating.

There was no indication from Selective Service or from the War or Navy departments as to whether this actually foreshadowed a call to the colors for men over 38, who are technically eligible for military service to the age of 45. Senator Wheeler (D) Mont., and some other members of congress have urged that single men over 38 be drafted ahead of younger fathers but the Army opposes this.

Former Texas Officer Joins Local Force

Monroe J. Angel, 46, has been employed as a city police officer at a salary of \$100 per month. He has been employed by the National Supply Co. and is a former Texas officer and Santa Fe Railroad-detective, according to Police Chief John Stroh.

BECOMES PLANT GUARD Ted Wertz, recently retired postal carrier here, has taken a guard's position at the Doak Aircraft Co.
